COMMENCEMENT PROGRAM

VIRGINIA COMMONWEALTH UNIVERSITY

RICHMOND

Eighth Annual Commencement
1976

THE COLISEUM

May 15, 1976

10:00 A.M.

The American Revolution Bicentennial Administration in recognition of Virginia Commonwealth University's contributions to the bicentennial celebration in the categories of "heritage," "festivals," and "horizons" has designated VCU an official bicentennial university. The university joins approximately 500 other universities and colleges in having received this symbol of national recognition.

A wide variety of bicentennial activities designed to appeal to the many and varied audiences served by this urban university are planned for the 1976-77 academic year. In addition to a number of special courses designed to facilitate individual exploration of America's past, present, and future, the university is, as a part of its bicentennial activities, sponsoring a bicentennial play, the American Issues Forum, and a commemoration of John Marshall's grave site.

ENDOWED PROFESSORSHIPS

Endowed professorships have been established in honor of these individuals who have played vital roles in the development of the College:

Arthur Graham Glasgow Professorship of Hospital Administration. This professorship was established in 1957 in honor of Doctor Glasgow, who provided so generously in his will for the College and who has shown such a vital interest in hospitals;

Stuart McGuire Professorship of Surgery. This professorship was established in 1959 in honor of Dr. Stuart McGuire, who was president of the University College of Medicine when it was consolidated with the Medical College of Virginia in 1913, and who was successively professor of surgery, dean, president, and chairman of the Board of Visitors of the combined institutions. Doctor McGuire died in 1948. His wife, Mrs. Ruth Robertson McGuire, died February 10, 1963. The bulk of the estate of both Doctor McGuire and his wife was bequeathed to the College at her death to be used for the department of surgery;

William Branch Porter Professorship of Medicine. This professorship was established in 1959 in honor of Doctor Porter, who was chairman of the department of medicine from 1927 to 1956 when illness forced his retirement. He died October 6, 1960, leaving his entire estate in trust for the MCV Foundation for use of the department of medicine;

Harvey B. and Gladys V. Haag Professorship of Pharmacology. Established in 1963, this professorship honors Dr. Harvey Bernhardt Haag and his wife, Mrs. Gladys Vaden Haag. Doctor Haag, who died October 14, 1961, joined the College faculty in 1923 and was promoted to professor and chairman of the department of pharmacology in 1933. He also served as dean of the school of medicine from July 1, 1947 to January 1, 1951. Mrs. Haag died September 20, 1962. At Mrs. Haag's death, the bulk of their joint estate came to the MCV Foundation for the department of pharmacology;

Norborne F. Muir Chair of Orthodontics. Established in 1974, this Chair honors Dr. Norborne F. Muir who in his will generously provided a bequest to the MCV Foundation to establish a Chair of Orthodontics in the School of Dentistry. Dr. Muir, who died January 31, 1974, graduated from the School of Dentistry of the Medical College of Virginia in 1918 and practiced dentistry all of his professional life in Roanoke, Virginia.

ALFRED L. BLAKE REAL ESTATE CHAIR

The Alfred L. Blake Chair of Real Estate was established in 1972 by the Virginia Realtors Foundation in honor of Mr. Alfred L. Blake, Sr. Mr. Blake, a Richmond realtor, was the founder of the Richmond-based firms of Mortgage Investment Corporation and Alfred L. Blake and Sons. Alfred L. Blake, Jr., was instrumental in creating the Chair which provides a new dimension to the program in Real Estate and Urban Land Development at the University.

ACADEMIC COSTUME

Academic costume worn today at American college exercises goes back in its essential features to the Middle Ages. The oldest universities of northern Europe, such as Paris and Oxford, grew out of church schools, and both faculty and students were regarded in the Middle Ages as a part of the clergy. They wore clerical costumes, largely borrowed from the monastic dress of that day not just on special occasions, but as their regular costume.

The head covering of the academic costume developed from the skull cap worn by the clergy in cold weather to protect their tonsured heads. In the universities, this skull cap acquired a point on top, which gradually evolved into a tassel. The bonnet with tassel is still worn by degree holders of European universities. In America, it has been replaced by the familiar mortar board, which still retains the mediaeval tassel.

The hood (the mediaeval *caputium*) was originally a head covering worn over the head in bad weather; otherwise dropped on the shoulders as the monk's cowl. At first it was worn by faculty and students alike, but in the early sixteenth century it was restricted to graduates, thus it became the mark of a degree holder. Today, each college has its distinctive hood lining by which its graduates may be recognized in academic processions.

The gown worn today is the mediaeval *roba* and seems to have been borrowed from the habit of the Benedictine monks. In the Middle Ages, undergraduates, bachelors, and masters could be distinguished by the simplicity or elaborateness of their gowns. The doctor's gown was often furred—this survives today in the ornamentation found on the doctoral gowns. Usually the gown is black, but some colleges have colored gowns.

The wide velvet borders extending down the front of the doctoral gown, the velvet bars on the sleeves, and the borders of most hoods are colored according to the scholarly field of the wearer. Some of these are:

<i>Arts, Letters, and the Humanities</i>	<i>White</i>
<i>Business</i>	<i>Drab</i>
<i>Dentistry</i>	<i>Lilac</i>
<i>Education</i>	<i>Light Blue</i>
<i>Fine Arts, Architecture</i>	<i>Brown</i>
<i>Laws</i>	<i>Purple</i>
<i>Library Science</i>	<i>Lemon</i>
<i>Medicine</i>	<i>Green</i>
<i>Music</i>	<i>Pink</i>
<i>Nursing</i>	<i>Apricot</i>
<i>Pharmacy</i>	<i>Olive Green</i>
<i>Philosophy</i>	<i>Dark Blue</i>
<i>Public Health</i>	<i>Salmon</i>
<i>Science</i>	<i>Golden Yellow</i>
<i>Social Service</i>	<i>Citron</i>
<i>Theology</i>	<i>Scarlet</i>

THE UNIVERSITY

Virginia Commonwealth University was created by act of the General Assembly of Virginia on July 1, 1968, through merging the Medical College of Virginia and Richmond Professional Institute. The university takes its founding date from the Medical College of Virginia which was established in 1838.

Today the institution exerts a major influence in its region in the fields of education, research, health care, and community service. Virginia Commonwealth University is composed of the Medical College of Virginia Campus in the downtown business district and the Academic Campus in a nearby residential district. The university also operates five teaching hospitals with more than 1,000 beds.

VCU enrolls 18,000 students in the Schools of Allied Health Professions, Arts, Arts and Sciences, Basic Sciences, Business, Community Services, Dentistry, Education, Medicine, Nursing, Pharmacy, and Social Work. In addition, there are hospital-based certificate programs available in blood banking, EEG technology, cyto-technology, and a dietetic internship.

The university offers undergraduate, graduate, and first professional degree programs; 13 programs award the doctoral degree. Supporting the instructional programs are the James Branch Cabell Library on the Academic Campus and the Tompkins-McCaw Library on the Medical College of Virginia Campus. The library collection exceeds 375,000 volumes and is supplemented by many special collections in the arts, sciences, humanities, and biomedical areas.

The university's 2,000 full- and part-time faculty have distinguished themselves both in teaching and research, demonstrated by VCU's ranking among the nation's top 100 institutions in research activities. The faculty is sensitive to the need for constant curriculum revision to meet professional and educational requirements in a world of change. Accordingly, more than 30 new degree programs have been initiated in the past five years.

Because of its location in a large urban area of Virginia, the university operates 12 months of the year, with highly developed evening and summer programs responding to the needs of those whose work schedules allow only part-time study.
